

## Senior Uniform (Years 7-11)

A school uniform is part of the DNA of any school, bringing the community together, creating equality and reminding students that they are part of a working environment. We appreciate the support of our parents to meet our dress code standards ensuring that all of our girls are in the correct attire both in school and on the way to and from school.

### General Dress Code

Skirts must be knee-length. Hair should be neat in style and not dyed. Tights should not have rips, holes or ladders.

### Marking of Uniform

All items of uniform must be clearly marked with the owner's surname and first name or initial.

All students must have a regulation games kit, which should also be clearly labelled with the full name. In addition, the owner's name should be marked in the appropriate year colour\*, on the following garments:

Overall	-	below left shoulder
Games skort	-	left bottom hem, clearly visible

Other pieces of kit to be named - fountain pens, calculators, etc. must be clearly and permanently marked.

Girls may wear a religious symbol on a necklace if written permission has been received by the school at the start of each academic year.

No piercings, except ear lobes: one pair of small stud earrings only may be worn in school time. A girl with pierced ears may wear plain studs (one only in each ear) which must be removed for PE. Any additional piercings, for example nose piercings are not permissible. Parents may appeal this in exceptional circumstances and written permission should be sought in advance.

It is therefore important only to have ears pierced at the start of the summer holiday to allow time for the wound to heal so that studs etc. can be removed safely at school. If any girl is found wearing studs or rings in any other pierced areas to school, she will be asked to remove them.
