

Brighton Girls Attendance Policy – September 2021

At Brighton Girls we see student attendance as critical to academic success and social integration. We monitor attendance rates on an ongoing basis and teachers, tutors and pastoral leads will take action if a student's absence becomes a concern, as required by the law.

We ask parents to familiarize themselves with our policy guidelines and help us to promote the standards of attendance and punctuality which are essential for an orderly school environment where all pupils can get the maximum benefit from their education.

Leave of absence

Leave of absence can only be authorized by the Head, and may only be permitted in exceptional circumstances. Parents should submit their request to the Head no later than three days prior to the date of absence. If an absence is authorised in advance parents will be notified and an absence note will not be required on return.

Action on school absence

It is the parents' responsibility to telephone the school concerning the reason for a student's absence on the first day of absence and to provide such further information as may be required. If the school is not notified of a student's absence a call will be made to parents. Schools are expected to remain in contact with parents on a regular basis until the student returns.

On her return to school, parents must supply a note or email to the student's form tutor/class teacher indicating the cause of the absence. If this is not forthcoming the absence will be investigated. If no absence note is received, the absence will be recorded as unauthorised. Parents are informed if absences are recorded as unauthorised.

If an absence occurs, it is the responsibility of the student to make up any lost work. If an absence is known in advance, the student must approach individual members of staff for guidance.

Reasons for absence

Illness

Parents are requested to inform the school on the first day if their daughter is ill.

Medical and Dental Appointments

Routine visits to the dentist, optician etc., should be arranged during school holidays or out of school hours. Authorisation for medical and dental appointments can be given in an emergency or other unavoidable circumstances.

Bereavement

B
BRIGHTON
GIRLS

It is helpful if we are informed of family bereavement so that we can offer students sympathetic support. Absence under such circumstances will, of course, be authorised.

Religious Observance

Absence can be authorised on a day exclusively set apart for religious observance by the religious body to which a student's parents belong.

Family/Domestic Problems

Looking after other children, minding the house, or shopping within school hours are not acceptable reasons for absence under the law.

Special Occasions

Exceptional occasions may be sanctioned through authorised absence. Such events might include a sibling's graduation or family wedding. Attending sports events or concerts are not sufficient cause for authorization.

Study Leave

Study leave may be authorised during the official examination period for Years 11 and 13 only. A letter is always sent to parents before study leave commences. Parents are asked to note carefully the dates on which study leave commences.

Although most students prefer to study at home during examination periods, there are always study facilities available in school for those who wish to work in school. Authorisation for absence for studying will not be given for periods outside those indicated to parents.

Study leave is a privilege which may be withdrawn if a student seems unlikely to use the time profitably.

Work Experience

Students in Years 12 and 13 are encouraged to gain work experience during the school holiday periods. In addition to this there may be a period of work experience for specific year groups scheduled on the school calendar. Some sixth form students may also be permitted to carry out work experience during times of the day when they have a study period. This must be agreed with the Head of Sixth.

SIXTH FORM

Flexible day

Sixth formers have a flexible day, recognising their growing maturity and bridging the gap between formal schooling and post 18 study or work. They must attend school every day, arriving in time for morning registration and form time. They must attend all timetabled lessons, but will be able to leave the school during their non-taught sessions, signing in and out. All regular appointments, driving lessons etc. must be scheduled for these times. Permission to miss taught lessons will not be given, unless there are exceptional circumstances. Any student who does not attend lessons or whose progress is not good will

have the privilege of a flexible day removed. Should a student be unable to attend school, parents/careers should notify the school in the usual way.

Open Days

Sixth Form students are expected to visit Universities and Colleges during school holidays. However, a maximum two Open Days may be attended during term time if appropriate letters requesting authorisation for absence are brought in.

Interviews

Sixth formers must, of course, attend interviews at Universities and Colleges at the times and on the dates allocated by the institutions. It is essential that they keep their Form Tutors informed of these dates.

Returning to school

Sometimes a student who has been off school for some time finds it difficult to return. In such circumstances it is of paramount importance that parents contact the Deputy Head Pastoral to discuss procedures for supported reintegration.

Punctuality

Students are expected to be prompt for registration. If a student is late, she must register with her form tutor if possible. Otherwise, she must sign in as soon as she arrives. If she fails to do this, the school will assume she is absent. Lateness without reasonable cause will be deemed to be unauthorised absence. Lateness after 9.30am will be deemed as an absence and will require a note of explanation from a parent.
