

TEMPLE SCHOLARSHIP - ART

WHO SHOULD APPLY?

Art scholarships are awarded as part of our Temple Scholarship Awards. Our Art Scholars are expected to demonstrate a passionate commitment to and genuine interest in the arts. Applicants will also need to demonstrate how they can actively contribute to Art at Brighton Girls.

HOW AWARDS ARE ASSESSED

Scholarships are awarded on the strength of the student's portfolio, the submission of a personal statement and a short interview. The results of the Brighton Girls' Entrance Examinations are also taken into consideration.

We ask all applicants to submit a personal statement (written by the candidate) in support of their application. This should explain why they would like to be an Art Scholar at Brighton Girls (maximum length 500 words).

Girls will be required to present a portfolio of current work, which should include one example of a drawing, a painting, as well as a 3D work (in photographic form). A small sketchbook should be submitted alongside the above. The work can include art produced at home, as well as art completed at school over the past two years. Portfolios should be no bigger than A2.

Portfolios can be taken home after the assessments.

Applicants will be invited for a short, informal interview. During the interview girls will be asked a range of questions related to their interests in Art, including their favourite artists or shows they might have recently attended or viewed online.

HOW TO APPLY

The Temple Art Scholarship Application Form should be submitted, with accompanying statement, review and references from art teachers/clubs or from a candidate's current school. Late applications will not be accepted.

ART AWARD HOLDERS' RESPONSIBILITIES

Our Art Scholars are expected to demonstrate a passionate commitment to, and genuine interest in the arts. As such our Scholars are expected to contribute fully to the arts programme at school, show real commitment to our extra-curricular programme and inspire their peers. It is our hope that award holders will, in time, become leaders in the arts life of the school. It is an expectation that Art Scholars will opt to take GCSE Art in Years 10/11.
